Ad Multos Annos 168

Adsit, M. E. 67

Animation of Computer-Generated Molecular Models 171

Assistance for Users of Polaroid Industrial Products, Technical 6

Association Services 100, 212

A 35-mm Camera Setup for Biomedical Photography 19

Audio-Tutorial Carrels: Custom Design 67

Autoradiography Plates, Low pH Development of: Buffered vs Acid Method.. 72

B

Bacterial Cells, Photomicrography of: a Rapid Method for Surveying Bacterial Morphology 63

Biological Photographic Association, The 4, 54, 102, 166

Biomedical Photography, Third Annual Workshop Course in 6, 71

Birefringence Investigations, Photographic Applications in 120

Brandell, Bruce R. 106

C

Camera Setup for Biomedical Photography, A 35-mm 19

Cheale, R. 74

Communications, Human 177

Computer-Generated Molecular Models, Animation of 171

Course in Biomedical Photography, Third Annual Workshop 6

Courses, Photomicrography 104

D

deVeer, W. H. 171

Development of Autoradiography Plates, Low pH: Buffered vs Acid Method ... 72

Documenting Radiation Portals by the Use of Ultraviolet Illumination 9

Dommasch, Hans S. 106

E

Earl Weeks 168

Electronic Flash, A Variable Watt-Second 74

F

Fellowship Procedure 100

Flash, A Variable Watt-Second Electronic 74

Freehe, Clifford L. 19

Friedman, Morton H. 117

G

Gait Analysis, Investigations into Techniques of 106

Graver, N. M. 171

Natural Science Photography, Tutorials:
Part One 35
Part Two 79
Part Three 124
Part Four 189

P

Palkuti, Gabriel A. 30

Photographic Applications in Birefringence Investigations 120

Photographic Technique for the Reconstruction of Tissue for Plastic Embedded Specimens, A Simplified 117

Photokina — World Fair of Photography, 12th, 1972 ..... 8, 56

Photomicrography Courses 104

Photomicrography of Bacterial Cells: a Rapid Method for Surveying Bacterial Morphology 63

Polarization Microscopy, Low Cost 27

Polaroid Industrial Products, Technical Assistance for Users of 6

Polaroid versus Polarizing, Announcement: 104

Polluter, The Photographer as a 61

Prints for Publication, Proportioning, Part Two 13

Proportioning Prints for Publication, Part Two 13
